DOCKET NO. 2004-28-C - ORDER NO. 2008-20
JANUARY 23, 2008

IN RE: Application of Computer Network Technology Corporation for a Certificate of Public Convenience and Necessity to Provide Facilities Based Local Exchange and Intrastate Interexchange Private Line Special Access Telecommunications Service) ORDER CANCELLING) CERTIFICATE AND) WITHDRAWING) TARIFF))
--	--

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Computer Network Technology Corporation (CNT or the Company) to cancel the Company's Certificate of Public Convenience and Necessity to provide telecommunications services in South Carolina. A review of the Commission's records reveals that the Commission granted CNT authority to provide local exchange, including exchange access, and interexchange private line special access telecommunications services within the State of South Carolina by Order No. 2004-313, dated October 11, 2004.

By letter filed December 17, 2007, from the Company's counsel, CNT seeks cancellation of the Company's Certificate and withdrawal of the Company's tariffs on file with the Commission. According to CNT, the Company does not currently provide any regulated intrastate services in South Carolina and has no future plans to initiate operations in South Carolina. CNT states that the Company no longer wishes to retain its

authority to provide service in South Carolina, and therefore, requests that the Company's Certificate be cancelled.

As CNT is not providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that CNT's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

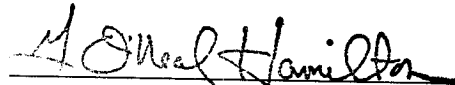

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide local exchange, including exchange access, and interexchange private line special access telecommunications services within the State of South Carolina authorized by Order No. 2004-313, dated October 11, 2004, issued to Computer Network Technology Corporation is hereby cancelled.

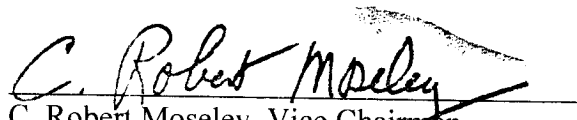

2. The tariff of Computer Network Technology Corporation is hereby withdrawn.

3. Computer Network Technology Corporation, if applicable, remains responsible for any assessments due during any year that the Company has operated in South Carolina.

4 This Order shall remain in full force and effect until further Order of the Commission.
